### **Children's Home Youth Serves The Community**

**Enterprise, FL** – Youth and staff of the Florida United Methodist Children's Home participated in a Day Of Service on February 15. The Day Of Service is a special day when youth (along with staff) go out into the local community and help others with projects. Rev. Madeline Luzinski, Director of Pastoral Care, has set up many of these service days in the past but has had to postpone them recently during the COVID-19 pandemic.

For this Day Of Service, the youth were able to participate while taking the necessary precautions like distancing as well as wearing masks and gloves. Community members who had projects for the youth included:

- All Saints Episcopal Church, Enterprise
- Community United Methodist Church, DeBary
- Harvest Time International, Sanford
- Orange City United Methodist Church, Orange City

Youth were able to perform projects like painting stripes in a parking lot, weeding, landscaping, as well as sorting and folding donated linens. "We think it's wonderful to provide our youth the opportunity to serve others, proving to them just how much impact they can have on the community. They always enjoy the Day Of Service, returning to campus asking when they can do it again," said Rev. Luzinski.
