WINTER 2022

VOLUME 32/NO. 1

Empowering children and families to experience the transforming love of Christ through wholistic care.

A *word* FROM FOSTER CARE

Covid-19 has brought many ministry challenges, but the foster parents and staff have done a great job of working through the challenges and continuing to provide great care and services to the children we serve. The children are being taught universal safety precautions to assist with keeping them safe. We are currently serving approximately a 100 children in the counties of Volusia, Flagler, Hillsborough, Broward and Palm Beach. We continue to recruit additional foster families to assist with the influx of children that need a safe place to call home. We have participated in several community events in our respective service areas, bringing awareness to the growing need for quality foster homes. Since the onset of COVID-19, all of our Pre-service parenting classes, quarterly foster care trainings and foster parent support groups have been facilitated virtually.

There are several legislative changes that have been implemented to improve outcomes in the child welfare system. One of the more recent implementations is The Family First Prevention Services Act (FFPSA). It was initially passed and signed into law as part of the Bipartisan Budget Act on February 9, 2018 with states given an option to apply for an implementation extension until 2021. Key provisions of the Act reform the federal child welfare financial streams by redirecting funds to provide prevention services to families and limiting funds to residential group care. Under traditional Title IV-E requirements, those dollars were only available once a child was removed from their home. The law now expands the use of these child welfare dollars to provide evidence-based prevention services to children and their families who are in imminent risk of entering foster care. Additionally, the new law made changes to the types of out-of-home placements that would be eligible to receive child welfare funding, focusing on placements in family foster homes. Florida initiated the above Act October 1, 2021. Due to FFPSA, the State of Florida is in need of additional foster homes to serve children in need of a safe, loving and stable home.

In order to meet the continuing need for foster homes, our ministry has launched a Family Foster Care program. The program allows a foster parent couple to reside in a cottage, located on our Enterprise campus. The first foster family moved into one of our cottages in September 2021. We are currently renovating the second cottage and plan to have foster parents in place in April. A total of five cottages will be renovated for the Family Foster Care program, allowing us to serve additional children as well as keeping sibling groups together.

While we are excited to serve the current counties with which we partner, we are also looking for additional opportunities with lead agencies in other counties. Our intent is to continue growing the program in response to the ever increasing need. We would like to thank you for your support and prayers during this unprecedented time. In addition, we thank the foster parents and staff for their resiliency, commitment and dedication to this ministry and the children we serve.

Cedric Davis
VP of Foster Care

PAVILION & BUTTERFLY GARDEN GIFTED

Thanks to a generous gift, we were able to construct a beautiful pavilion and butterfly garden on our Enterprise campus to be enjoyed by our children and staff. The construction was done for us by the NOMADS, a group of retired craftsmen who provide volunteer labor for United Methodist organizations. Once the construction was complete, our youth and staff worked together to plant the butterfly garden.

VIRTUAL DAY ON CAMPUS RETURNS FOR 2022

While things are slowly getting back to what we remember as normal, there is still concern about events and maintaining safety for our children, those who would be participating, and our team members. For that reason, we have decided to create another Virtual Day On Campus in March as opposed to an in-person event.

We are currently planning the program for this year, but be assured that you won't want to miss it. Updates will be available on our Facebook page as well as our website as we get closer to the premier date.

HONORING THEIR FATHER AND MOTHER THROUGH

Jennifer Gray Keeler and Duncan L. Gray II recently offered to share their family's passion for the Children's Home and why they decided to establish endowments to honor their parents while supporting the children.

The Florida United Methodist Children's Home ministers to and serves children and young adults. It is a loving home, complete with family in the form of angels called house parents. It is a safety net that teaches children coping skills. It is a place that provides for the personal and spiritual growth of future generations. It is a place that recognizes the important individual path of educational growth for young minds and young talents. In essence it is the very definition of home. It is a place that requires support because it really does take a village to raise a child.

Two endowments were created and made to the Florida United Methodist Children's Home this past December. The two endowments were given in honor of our parents, Duncan and Patricia Gray. Reverend Duncan Gray passed away in October

2019 and Mrs. Patricia Gray passed away in November 2021. The Children's Home was as important to them as their ministry was in the local church.

The first endowment, the Duncan and Patricia Gray Spiritual Life Endowment was created to support the operation and needs of the Spiritual Life Program at the Children's Home. The Reverend Duncan Gray and his wife Patricia, spent 40 years in ministry serving 5 churches in Florida and supporting the Children's Home. It was very important to our parents to support the efforts of spiritual growth in young children and adults over the course of their ministry. Matthew 19:14 Jesus said, "Let the little children come to me and do not hinder them for the kingdom of heaven belongs to such as these."

The second endowment, the Duncan and Patricia Gray Scholarship Endowment was created to support higher education needs: vocational training, technical or two year college, four year and graduate college level educational needs as well as things such as books, fees or housing expenses. Education is an investment in our communities, our culture

ER I GIVING.

and our world. The talents of ALL are necessary for success as a society.

Our thanks to all who serve the Florida United Methodist Children's Home with their talents and their gifts; you are truly the hands of the Almighty. It is our hope that these endowments will serve the youth that live in peace, love and safety at the Children's Home. We encourage others to provide whatever support they can through talents or gifts to the Children's Home.

So, two good things happen as a result of your gifts-those in need are helped, and they overflow with thanks to God. Those you help will be glad not only because of your generous gifts to themselves and to others, but they will praise God for this proof that your deeds are as good as your doctrine.

II Corinthians 9:12-13

TAXES ON YOUR MIND?

If higher taxes are on the horizon, don't worry. We have what you need to reduce taxes and keep your life and your plans on track. We can help you lower taxes while often increasing your liquidity. We can help you with proven strategies that may:

- Decrease taxes with strategic income tax deductions.
- Increase income by utilizing tax advantaged opportunities.
- Use your income, assets and investments more effectively.

You can create a legacy and have the unparalleled satisfaction of knowing you have supported a mission that is important and meaningful to you.

In addition, you can lower your taxes in ways you might not expect.

IRA ROLLOVER If you are 70 and ½ or above, you can direct your IRA administrator to make a distribution directly to charity. If you are over 72, this may fulfill your required minimum distribution. You won't receive an income tax deduction, but you won't have to pay tax on the distribution.

NEW USE FOR OLD STOCK If you have stock or other appreciated assets, transfer the stock to a charity. When you do, you receive an income tax deduction for the present value but pay no capital gains tax. Whether it is a charitable gift annuity, charitable remainder trust or other

vehicle, we can help you find ways to use your assets to help you:

- Receive the best income tax deduction possible.
- Possibly create new tax-advantaged payments.
- Work with your attorney and advisor so you receive all the benefits you are entitled to.

Many people, even longtime donors, are unaware of all the possibilities that may help reduce your higher taxes. Best of all, when you do, your smart planning also becomes smart giving. You help others while helping yourself.

Consider ways to minimize taxes	STRATEGIC TAX IDEA	INCOME TAX DEDUCTION FOR YOU	PROVIDES PAYMENTS TO YOU	EXTRA BENEFIT
There are many ways we can help you meet your goals, but here are some of the most popular and productive ways to minimize taxes:	Charitable Gift Annuity	✓	✓	Possible tax-free payments
	Charitable Remainder Unitrust	✓	✓	Payments for life
	Gift of Stock	✓		Avoid capital gains tax
	IRA Charitable Rollover	✓		May fulfill your RMD

I Am A Piece Of The Whole

High school students in our Legacy Scholars Academy were given a writing assignment for English class that required them to write a two-verse poem with the title "I Am a Piece of the Whole." Their work was very good and also rather touching. Here are three of the poems from that English class.

POEM 1:

*The pieces of me that no one sees
Are hidden behind the memories
That never cease to cause me grief
And always seem to define me*

*But I am strong and persevere
Like the phoenix I proudly wear
So before you decide to condemn my soul
Just remember
The pieces are what makes us whole*

POEM 2:

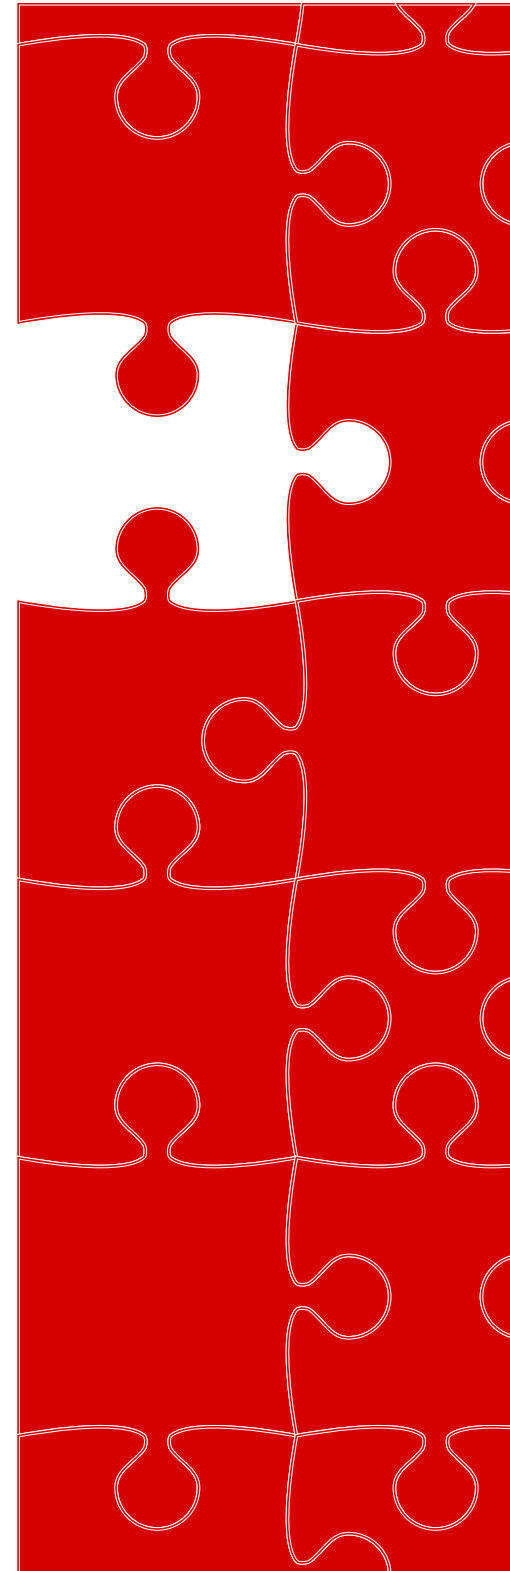

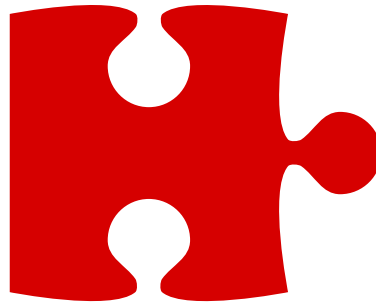

*Second time around in the system
Missing my family, wondering about them
Negative feelings start to creep in
And I feel frozen once again*

*The storm starts to make me feel pain
But my umbrella protects me from the rain
Lucky for me with the new people I've met
I feel like I fit in, so there's hope for me yet*

POEM 3:

*I am a piece of the whole
The withering sight of my life's dimming light
Torn by the choices of wrong or right
As my unforgivable past clashes with my anxious future
One thought enters my mind, am I the winner or the loser?
I've seen the lonely reality waiting outside for me
Is that really the scenery to my own destiny?*

*Of course not! My destiny is what I choose it to be
I'm not some caged up bird
I was born to be free
As I soar through the sky, one thought enters my mind
I am the winner! My negative feelings begin to subside
I have found the reason to live, laugh, and cry*
