U.S. Congressman Cory Mills (FL-07) Makes Donation To Residing Hope

Enterprise, FL – Residing Hope welcomed U.S. Representative Cory Mills (FL-07) who shared a monetary gift. The Congressman’s financial gift will support Residing Hope’s “Summer Fun” program, which includes all of the activities both on and off campus for Residing Hope youth.

“Congressman Mills has become a friend of the ministry,” said Residing Hope Chief Development Officer Elisabeth Gadd. “Due to his background, he has a keen insight into the challenges our children face. His love and support of our ministry is very humbling. We appreciate his care, concern and interest in our mission. His recent gift supports the recreational activities of our children to afford them the opportunity to just be children and experience the enjoyment their peers in normal situations are able to experience. He has also been deeply interested in our Independent Living program in support of young adults transitioning from residential care into the real world in pursuit of independence.”
