THE HERALD

VOLUME 35/NO. 1, 2025

Empower children and families to experience the transforming love of Christ through evidence-based care and holistic services.

What's in a Name?

KITWANA MCTYER,
PRESIDENT & CEO

I'm sure by now that you're aware that the Florida United Methodist Children's Home has a new name – Residing Hope. Our Christian mission has not changed, only our name. That name change was very purposeful with a great deal of thought behind it, so I would like to take this opportunity to explain it.

Since our humble beginnings in 1908, we have grown into a holistic organization serving abused, abandoned, and neglected children from across the state of Florida. That continued growth over the years led us to the realization that we had outgrown the Children's Home name and needed something that better represented the purpose we serve and the care we provide.

In selecting our new name, we wanted one that reflected the organization we have become while staying true to our history. We believe it also reflects our steadfast mission as a faith-based organization: ***Empower children and families to experience the transforming love of Christ through evidence-based care and holistic services.***

The word "hope" is commonly used to mean a wish or desire. But in the Bible, hope is the confident expectation of what God has promised and the strength of His faithfulness. Residing Hope defines us both figuratively and literally, as the place where hope lives and grows. Our new logo reflects who we are and thoughtfully demonstrates our mission and values. Each component tells part of the story of Residing Hope.

The **cross** in the logo represents our commitment to our faith-based values and recognizes our rich 117 year history as a Methodist organization.

The **heart** reflects the love and care provided through all of Residing Hope's services.

The **sunrise rays** are indicative of the hope found in a new day. It also speaks to the hopeful futures that our children and youth are able to find at Residing Hope.

The **uplifted hands** in worship demonstrate hope and the promise of transformation that can be found through faith and prayer.

We believe that Residing Hope expresses optimism and the opportunity of a better life for the children and youth we serve through our many services, including:

- **Therapeutic Residential Care** Our programs care for at-risk children through 17 years of age on our main campus in Enterprise as well as our Madison Youth Ranch. Unique care plans are created to meet each child's individual needs, including specialized therapeutic care and a specific program for those traumatized by sexual abuse. Our Enterprise campus includes Legacy Scholars Academy, allowing our youth to get the specialized academic support they need to succeed.
- **Foster Care** We recruit, train, license, and support foster homes in Volusia, Flagler, Broward, and Palm Beach Counties. Foster Family Cottages are also located on our Enterprise campus, allowing those families to benefit from services there including therapeutic counseling, our on-campus school, our Spiritual Life program, and other residential services.
- **Outpatient Counseling** Circle of Friends services was originally founded in 2009 and became a division of the Florida United Methodist Children's Home in 2019. Now known as Residing Hope Outpatient Counseling, we provide trauma-informed services to children and families in homes, at school, or an office location, as well as virtually across the state. Our therapists are specially trained to help families return to normalcy after suffering the traumas of addiction, abuse, neglect, and separation.
- **Independent Living** For youth who have aged out of our Therapeutic Residential Care program at 18, our Independent Living program offers the support and guidance they need to adjust to adulthood. This program also accepts youth from the community. It provides life skills training, career development, mentoring, and transitional living accommodations.
- **Childhood Education** Residing Hope Montessori, our licensed childhood education program, is located on our Enterprise campus and serves the surrounding community. It serves children from birth through middle school, and provides after school and summer programs as well.

I invite you to check out our new website to see just how much of an impact your support is making on the children and families we serve. Simply scan the QR code with your smart phone, and it will take you directly to our website.

A *Word* from Outpatient Counseling

Barbara Defazzio

Vice President of Outpatient Clinical Services

Circle of Friends Services became a division of the Florida United Methodist Children's Home in 2019, adding outpatient counseling to the already wide range of services provided by the Children's Home. When the Children's Home adopted a new name, we became Residing Hope Outpatient Counseling. While our name changed, our commitment to serving the outpatient health needs of our community has remained the same.

Since our beginning in 2009, we have focused on serving the needs of children and families in the child welfare system with offices in Central Florida as well as the West Coast. After becoming a part of Residing Hope, we expanded our services to include working with families engaged in the adoption process. We discovered through our work with these families that adoption is a lifelong journey, and we wanted to be a part of that journey. To better assist families in this area, all of our therapists became certified in Adoption Competency. This has allowed us to help stabilize many families who were struggling to integrate abused or neglected children into their home. Additionally, we established a monthly support group for adopted parents. Since beginning these specialized services to adoptive families, we have seen many of them become happy, healthy, and integrated family units – and that is truly rewarding.

In addition to expanding the range of services offered, we have also expanded the manner in which we offer those services. Prior to the pandemic, our therapists primarily met with clients in their homes since we believed that joining people in their home environment gave our therapists insight into how that family unit functioned. However, the pandemic opened up a new path for providing counseling. Our therapist quickly pivoted and began providing services through telemedicine. This not only allowed us to continue serving families in the counties where we had offices, but also allowed us to provide services across the state. Today we continue to provide counseling state-wide, with many families preferring telemedicine over in-person visits.

Residing Hope Outpatient Counseling continues to focus on serving children and families in the child welfare system, including those engaged in the adoption process. Our range of services include individual and family therapy, infant mental health, supervised therapeutic visitations, and comprehensive behavioral health assessments.

IRA Rollover to Gift Annuity

Helping You Increase Your Income and Giving

Do you own an IRA?
Would you like to give more to charity but need the retirement income?
Have you considered a charitable gift annuity in the past but weren't ready?

If you answered "yes" to these questions, now is an excellent time to consider a charitable gift annuity with Residing Hope. The Secure 2.0 Act provides a once-in-a-lifetime way to do so with a **tax-free distribution** from your IRA.

What is a Charitable Gift Annuity?

A charitable gift annuity (CGA) is a contract between you and Residing Hope. In exchange for your charitable gift, we agree to pay you a fixed income for your lifetime. Upon your passing, the annuity ceases and the remaining principal is used to further our ministry.

Benefits of a Charitable Gift Annuity

- Lifetime income and financial security
- Attractive payment rates
- Opportunity to support Residing Hope

How Does the Charitable Gift Annuity Work?

A CGA is a simple written agreement signed by you and Residing Hope. Once you contribute cash from your IRA, the CGA begins to make monthly, quarterly, or semi-annual payments to you for your lifetime. The payment rate is based on your age to your nearest birthday.

What the Secure 2.0 Act Provides

- Once-in-a-lifetime tax-free distribution from your IRA for a gift annuity
- Maximum allowable distribution amount is $54,000 in 2025 and counts toward your maximum QCD of $108,000 for this year.
- Spouses can combine distributions for a joint CGA distribution of $108,000.
- Lifetime income payments of 5% or greater
- Lowers your taxable income

Other Considerations

- Charitable gift annuities may be set up to pay income to you or your spouse, or both
- Under the act's provisions, you must be 70 ½ or older to take advantage of this opportunity
- A charitable gift annuity is a general obligation of Residing Hope and is backed by all of our assets
- Provides a fixed income stream

Consult your tax or financial advisor.
