Day of Hope Returns With Two Dates

Enterprise, FL – Day of Hope, formerly known as Day on Campus, returns to the Enterprise campus of Residing Hope on two separate dates. Supporters and community members now have the option of choosing the date that is most convenient. Emphasis will still be focused on showing the impact that donors have on the young lives served. Both events will feature activities for all ages, educational breakout sessions, box lunch, volunteer projects, and opportunities to interact with our children.

New this year will be walking tours to see sights around the campus, including cottages where the children live. Golf carts will be available to assist those with mobility challenges. A special program will also be included with performances by our Praise Band.

For more information about Residing Hope, please contact Mark Cobia, Director of Marketing and Communications at 386.668.4774, mark.cobia@residinghope.org, or visit ResidingHope.org.

Residing Hope was established in 1908 in Enterprise, Florida on the banks of Lake Monroe. The Madison Youth Ranch, a second residential campus, was added in 2014 in North Florida. Residing Hope provides services to families and children from childhood to adulthood, and is accredited by COA (Council on Accreditation), EAGLE (a program of the United Methodist Association of Health and Welfare Ministries), and is a member of the Alliance for Children and Families. Our Therapeutic Residential Care Program provides care and a family style home for school-aged children who have been victimized by abuse, neglect or family trauma, and provides counseling, as well as recreation and ministry opportunities. Residing Hope also provides Foster Care, an Independent Living Program as well as a Montessori-based early childhood program to the public. Residing Hope is supported through the generosity of individuals, churches and legacy gifts. For more information, visit www.residinghope.org.
