Residing Hope Counseling Opens New Office

Enterprise, FL – Residing Hope Counseling opened a new office in Quincy, FL. The new office, located at 206 North Madison Avenue, becomes the fourth office to offer counseling services. Other offices are located in DeBary, Plant City, and Kissimmee.

Residing Hope Counseling provides a wide range of services in one of the current offices, in the home, at school, or virtually throughout Florida. Services include individual and family therapy, supervised therapeutic visitations, infant mental health, comprehensive behavioral health assessment, and a post adoption support group.

“All too often, people suffer in silence when they don’t have to. Residing Hope Counseling is a place where they can come to heal, and we’re exciting to open this new office and provide support to those in the Madison community,” says Nadine Heusner, Vice President of Clinical Services.
